Lawrence Cleaning Ltd. Registered in England. Reg No. 01742891

Race Meadow Primary School

Race Meadow Primary School was formed in 1994 following the reorganization of schools in North Warwickshire. The school has excellent facilities within modern buildings and aims to create a happy, caring and stimulating environment in which to encourage learning and confidence in its pupils. It offers its pupils a wide range of opportunities and experiences to ensure they will become fulfilled and independent learners.

“I feel that it is an important part of the make up of the schools atmosphere for it to look bright and clean, encouraging pupils and staff alike to take a pride in their surroundings. This was achieved with Lawrence Cleaning. On returning after the summer break, we were greeted with a shiny, clean and sweet smelling school. A major recess clean had taken place during the summer by the school’s cleaning staff and Lawrence Cleaning, setting the standard for the future.”

Quality products were bought in, training given and new schedules put in place. The cleaning staff had a new pride in their building, which was obvious to staff and visitors alike. Both the school and the cleaners have benefited by the support given by Lawrence Cleaning. Open communication between all parties, and regular meetings allow any niggles to be aired and dealt with quickly and efficiently.

“Previously we felt that the cleaning staff were uninterested and lacked any motivation in regard to cleaning of the school. This was mainly due to insufficient scheduling of tasks and the monitoring of standards by supervisors. Generally the cleaning standards were poor, and nothing was being done to rectify the situation.”

“Previously we felt that the cleaning staff were uninterested and lacked any motivation in regard to cleaning of the school.....”
